## 💼 PERSONAL PROFILE

Self-motivated and ambitious individual with strong knowledge and skills in IT capable of assisting with the day-to day running of an IT department. I have been a student at Chuka University since 2015 and I will be graduating in September this year (2019) with a Bachelor's degree in Applied Computer Science. I also have a 4 months experience dealing with IT equipment and products while I was on internship at Smoothtel & Data solutions last year. I am a solution driven individual excelling in highly collaborative environment, finding solutions to challenges and focused on achieving organizations' objective.

I am looking for a position in an IT department with a successful and dynamic company that offers room for progression.

## 🛠 SKILLS

- Skilled in data communication, networking, network administration and troubleshooting.
- Skilled with the windows and Linux operating system.
